FamilySearch Memories

1. Sign in to your FamilySearch Account.

2. Click Family Tree/Tree.

3. Click on the ancestor you would like to add a photo to.

5. Click *Memories* on the Person Detail Page.

6. Click *Upload Photo* if you want to attach a photo from your computer files.

E iper		
+ II - New A - New Autom	- h matterned A	
Suma . Sartan		
Formation		and the later

7. Click on the Computer File that has the picture in it. Click on the picture and then click *Open*.

8. Click *Select from Gallery* if you want to attach a picture from the Memories Gallery.

9. Click on the photos you would like to add to your ancestor's Personal Details Page, then click *Attach Photos.*

Titling Your Photo

10. Click on the photo to add a title.

11. Photo will be screened to make sure the photo follows church standards. Click *Edit Title*.

12. Type in title and click *Save*.

Tagging Your Photo

13. Click on the picture and a circle with a box around it will appear. Center the head in the circle by expanding and moving the circle. Type in the title again and click *Save*.

Changing the Portrait View

14. Click on the portrait on the Person Details Page.

15. Click on the portrait you would like to have appear on the Person Details Page.

Adding Memories to the Gallery

16. Click on *Memories* at the top of the screen, and then *Gallery* on the pop down window.
